Headteacher: Mr M Hawkins B.Ed.

13th January 2011

Dear Parents

Welcome back to school and A Happy New Year to you all. We all hope you had an exciting, yet at times peaceful, Christmas.

Already, we are well into the events of a new term. This term the theme for our assemblies and work in class will be 'Going for Goals'. Children will be talking about what their goals are and how they can reach them. We will also consider what can get in the way of achieving our goals and how to overcome difficulties.

I would like to request, that due to a teaching commitment, you do not ask for immediate appointments to see me on Monday, Tuesday and Wednesday mornings at the start of school. I will be working on a regular basis with some of our Year 5 pupils and will not be able to give you the time necessary on these few occasions. I would like to thank you for your support in this matter.

Can I remind you that it is possible to get the school letters sent directly to you via email. If you send your email address to the school office at

Sch.400@educ.somerset.gov.uk

We can then add you to our contacts list. We can also alert you to information which has been placed on the school website with links to help you find the new content.

We have now managed to get a menu on the website which covers the first three weeks of term. This will change after week three due to the bank holiday on the first day of term but it is currently up to date. We have also posted a copy of the school calculation policy which shows how we are approaching basic calculation in school and may help you if you wish to support your child at home. Mrs Stone is currently organising some parent sessions in school to help with the calculation work.

Can I also remind everyone that we have school calendars on the website with all our INSET days which have been booked for this school year and next. There are still some days to go in for the 2011/12 academic year but these will be added as we set up further training.

Please keep an eye on the library TV screen as it details events and clubs which are starting this week.

Film Club is starting this week and there are a small number of places for additional children if you missed sending the slip back. Thursday 13th is the day for the first part of our first showing. We will be watching the film Bolt over two weeks. Further information is available on the school website.

An election is to be held for a Parent member of the Governing Body. If you feel that you have the time and enthusiasm to support the school in moving forwards please complete the forms which will be sent out shortly.

Yours Sincerely

Michael Hawkins
Head Teacher
