Thursday 13<sup>th</sup> January

Dear Parent / Carer,

As a continuing part of developing our parent and school relationships we would like to invite you to a 'Recycled Sculpture workshop' session on **Thursday 10<sup>th</sup> February**, to be held outside if dry or in school hall if wet! On your arrival please go directly to your child's classroom, where you will be briefed on arrangements for the session.

You and your child will have the opportunity to work together on a creative project focused on the theme of Sculpture and Materials (in this case, as many non-recyclable materials as possible). We will be working with Carymoor Environmental Trust (<http://www.carymoor.org.uk/>) to produce a recycled sculpture using waste materials. We will of course be asking for collections of **washed, non-recyclable waste**. This could include food container trays, plastic lids, milk bottle lids, etc.

Please see below for the allocated time slot for your child's class to participate in their 'Recycled Sculpture workshop' session in the hall:

<b><u>Class</u></b>	<b><u>Time for Sculpture</u></b>
Ash	9:15am – 10:45am
Rowan	11:00am – 12:05pm
Willow	1:30pm – 3:00pm

Please sign & return the slip below to school by **Friday 28<sup>th</sup> January**, indicating whether you will be able to attend so that we can gauge numbers we will be preparing for.

Kind regards

Sarah Shelton, Oli May, Alison Hawkins & support staff.

**'Recycled Sculpture workshop' Session**

I/We will / will not be able to attend the 'Recycled Sculpture workshop session on **Thursday 10<sup>th</sup>**  
**February** with my/our child \_\_\_\_\_ in \_\_\_\_\_ class.
