12<sup>th</sup> November 2010

Dear Parents

## OFSTED

Yippee!!! They have gone! The school has now survived Ofsted and after four gruelling days we have come out on the other side. Although we cannot give any of the information out until the report is released, we are very pleased, as many of the areas show such a big step forward from our last Inspection. The improvements are in the detail of the report and aspects of the school life were highly praised. The Inspection team felt that it was a lovely school to be in and that the children were fantastic. What a credit to you all.

I must thank everyone who returned their questionnaires. It was commented that it was one of the best responses they had known and, that although there were some issues, there were no common themes and that the overwhelming majority of the returns were very positive about the school. So, once again thank you for being so supportive of all we try to do.

## Christmas Child Collection

May I ask on behalf of The Circle of Friends that you think about the Christmas Child boxes? We have not had many contributions and it would be good to send off a substantial number.

## Children in Need

This year's theme is 'spots' and children may interpret this in anyway they wish for a donation to our collection. This will take place on Friday 19<sup>th</sup> November so it will be a non uniform day.

**BBC** 7 days to go! Friday 19 November 2010

# Children in Need

## 7 - 11 Youth Club

Our local Community Police are setting up a youth club for 7 - 11 year olds at the Vineyard Centre: 97, Burcott Road, from 7.00 till 8.30 every Thursday. Fliers for this can be obtained from the school office.

## Film Club

We are currently investigating setting up an after school film club but wondered if there are any parents who would be willing to help us organise and run this free extra curricular activity. Children will be given a weekly opportunity to see and complete some work on a wide range of films which they may not otherwise get the chance to see. If this is something you would like to be involved in please see me to express an interest.

Yours Sincerely

Michael Hawkins  
Head Teacher
