North Road Wells BA5 2TJ Telephone: 01749 672516 Fax: 01749 670822 E-mail: office@stoberrypark.somerset.sch.uk  
Headteacher: Mr M Hawkins B.Ed.

15<sup>th</sup> March 2011

Dear Parents

Here are just a few notices to help keep you all up to date with school.

Please remember that the school calendar is on line for this year and is close to complete for the next school year 2011/12. We still have two INSET days to go into the 2011/2012 calendar but as soon as these are booked we will enter them so that you have good warning of school closures. If you do not have on line access please enquire at the school office where paper copies of the calendar can be obtained.

## Red Nose Day 18<sup>th</sup> March 2011

We would like to hold a hat and wellies day with the children. Please send a donation to go towards our Red Nose Collection. The children should, if possible, wear a hat and Wellington boots. They do not need to wear uniform on that day.

## Film Club

Our next film is called – ‘The Last Mimzy’. We will be starting the screening this week but sadly due to work on the mains electricity supply will not hold a meeting on **24<sup>th</sup> March**. There is still room to join film club for children in KS2. If your child missed out and would like to come along please let me know. We finish at around 4.15 pm each week. Unfortunately, as some of the films are PG we do not open membership to KS1.

## Football Club

Mr Ramsay has informed children that there is no football club this Wednesday as there is a tournament on Thursday. Those involved have been informed but we still have some reply confirmation slips outstanding. If your child has been invited to go please make sure their reply slip has been returned.

## School Web Site

A lot more information, especially photographs, has been added to the site including an internet safety event for parents. Please keep up to date by saving the site as one of your favourites and dipping in to see what is new on a regular basis.

## School Attendance

A working party of School Governors have been looking at ways to encourage an improvement in school attendance and have asked the school to set up a recognition of children whose attendance remains at a very high level each term. We hope to get a scheme which identifies these children working from the end of the spring term.

## Parental Mathematics Meetings

Thank you to all those parents who have attended our maths for parents' sessions. We now have our final session booked but should you need more information please contact Mrs Stone.

## Parents in School Days

I would like to thank all those parents who supported us by coming into school on one of our curriculum days. I think that all the events organised were well worth being part of. The local newspaper covered our Roar-bish sculpture day and our Mystery Porsche event. All these events caused an excitement in school and we really do enjoy sharing these opportunities with you. I know that other events have been or are being organised and we look forward to seeing you as your time allows. I would like to thank all the staff who put so much time and energy into making these events as worthwhile as possible.

Yours sincerely

Michael Hawkins  
Head Teacher.
