

Dear Parents

Following the recent changes to the weather I thought it would help you to have an update of information, just in case we have to close the school due to poor weather conditions.

As soon as a decision is made to close the school we will send an email to the Local Authority who will in turn inform local radio stations. You need to listen to BBC Somerset or Heart FM.

We will also get a message put onto the school website front page on the ticker which runs across the page.

We will also endeavour to send out text messages to all parents who have supplied mobile phone numbers.

Yours sincerely

Michael Hawkins
